### Class Description

Welcome to “Framed to Perfection,” a hands-on quilting class designed to elevate your quilt tops with three essential border styles: Plain, Mitered, and Flange. Whether you're just starting your quilting journey or looking to refine your finishing techniques, this class offers something for everyone. You'll learn how to measure, cut, and attach borders that not only frame your quilt beautifully but also add dimension and polish.

By the end of the class, you'll confidently:

- Add clean, straight **plain borders** for a classic finish
- Create a pop of texture with **flange borders** that sit between quilt top and outer border
- Master the elegant angles of **mitered borders**

This is a technique-focused class, perfect for finishing quilt tops or experimenting with sample blocks.
